The Classic Trailer Winter Eventing & Dressage Series is designed to give riders the opportunity to develop their mental and physical competition skills throughout the winter. Horse trials competitors will **not** be permitted to school the show jumping or cross country courses prior to competition. The Classic Trailer Winter & Eventing Dressage Series has been developed in an effort to help horse and rider become stronger competitors and progress in their training. Riders who are eliminated will be permitted to complete the competition. Riders who are not competing in the horse trials will be permitted to school cross-country and show jumping at the completion of the event for \$25 per horse/rider combination.
